HIS Excellency the Officer Administering the Government, with the advice of the Executive Council, has been pleased to approve of the subjoined Regulations framed by the Municipal Council of Alice under the provisions of Acts Nos. 45 of 1882, 12 of 1895, 30 of 1895, and 25 of 1897.

NOEL JANISCH,

Under Colonial Secretary.

BYE-LAWS OF THE MUNICIPALITY OF ALICE.

All existing Regulations in operation within the Municipality are hereby repealed and the following substituted:—

CHAPTER I.

(Framed under Act 45 of 1882.)

1. The Chairman of the Council shall be styled "the Mayor."
2. The Mayor, or in his absence the member elected to preside, shall maintain order and decide all disputed points of order.
3. The regular meetings of the Council shall be held every fortnight, with open doors, and the Council shall publicly notify the dates and hours for holding the same, and also changes in regard to such dates or hours that may be from time to time decided upon.
4. It shall be competent for the Mayor or any three Councillors to convene a special meeting of the Council, provided always that twelve hours' notice be given to each Councillor in writing stating the reason why such special meeting is being called, and provided, further, that only the subjects stated in such notice shall be discussed and dealt with at such meeting.
5. Public meeting of ratepayers may be called by the Mayor at his discretion or by resolution of the Council, or by petitions signed by twenty ratepayers resident within the Municipality.
6. The Town Clerk, before entering upon his duties, shall pass a bond approved of by the Council for the sum of three hundred pounds sterling as security, to be held by the Council for the due fulfilment of the duties of his office.
7. All monies of the Municipality received by the Town Clerk shall be deposited in such bank as may be selected by the Council, and all payments shall be by cheque on such bank, and all cheques shall be signed by the Town Clerk and countersigned by the Mayor for the time being, or, in his absence, by a duly authorised Councillor.
8. In discussing any question no Councillor shall be allowed to speak more than once, except in explanation. This rule is not, however, to interfere with the right of reply which may be claimed at the end of the debate by the mover of any resolution.
9. If two or more Councillors commence to speak at the same time, the Mayor or Councillor presiding shall determine which is entitled to priority.
10. The ordinary meeting shall be opened by the Mayor or Councillor presiding calling upon the Town Clerk to read the minutes of the last meeting; after the same have been confirmed, the cash statement shall be taken; the Chairman shall then take the items on the Agenda paper seriatim until they are all disposed of; the Municipal Clerk's order list shall then be taken up and disposed of in a similar manner, and other business may then be brought forward.
11. The business under discussion and any business not disposed of at the time of the adjournment of any ordinary meeting shall stand as order of the day for the next regular meeting of the Council.
12. It shall be competent for any Councillor at any time or in any stage of the proceedings to move an adjournment of a particular question or of the Council itself.
13. No Councillor shall leave any Council meeting without leave from the Mayor or Councillor presiding.
14. It shall be competent for any Councillor, when he is in a minority on a question decided, to enter his dissent or protest in the minutes of the Council forthwith. A dissent or protest, however, shall not be allowed to be recorded which casts any improper reflection upon or imputes any improper motive to the Council or any member thereof.

In no case, however, shall more than one-third of the width of any street be taken up, and not more than the extent of the frontage of the building and all *debris* and other material and fencing shall be removed immediately after completion of the work. Any person contravening this regulation shall, upon conviction, be liable to a penalty of not exceeding £2 sterling; and, moreover, shall be responsible for any injury or damage which may occur by reason of such contravention.

Every such crossing, footway, bridge or culvert, if approved by the Council, shall be constructed in accordance with the directions, if any given, by the Council, and shall be maintained by the person constructing the same in a proper state of repair. Any person found hunting, shooting, killing or taking game on the commonage without a current permit, in contravention of the restrictions imposed thereunder, shall on conviction be liable to a penalty not exceeding £5, and the Council may, in its discretion, refuse to issue a permit to any person who has been convicted of a contravention of this regulation.

1. "Location" in these regulations shall mean the portion of the town extension or of the common pasture land for the time being set apart by the Council for the location of natives and coloured persons, the boundaries whereof shall be from time to time fixed and publicly notified by the Council.

2. The Council shall appoint a Superintendent of the Location, whose duty it will be to supervise and manage the location in accordance with the following and the general Municipal regulations, and such instructions and directions, not being inconsistent with these regulations, as he may receive from time to time from the Council, and no person shall resist or obstruct such Superintendent in the discharge or execution of his duties.

3. The Superintendent shall assign to each dwelling a number, which, painted on a tin plate, shall be kept affixed thereto by the occupier, and he shall keep a true and correct register of all the dwellings in the location, with the names and occupations of each person dwelling in them respectively, and such register shall be kept in such form as the Council may direct; and for the purposes of enabling the Superintendent to carry out these regulations, every inhabitant shall from time to time give him such information as he may require under the penalty provided for a breach of these regulations. No "site permit" shall be transferred except with the permission of the Superintendent and to a person approved of by him. Abandoned dwellings may be sold, let or disposed of, as the Council shall direct.

5. No persons, other than holders of "site permits," who have erected dwellings thereon, together with their wives and families, being children under 18 years of age or unmarried daughters, shall reside in the location, unless they shall first have obtained a lodgers' permit, which shall be granted by the Superintendent if he is satisfied that the applicant is a fit and proper person therefor, and that he has found suitable accommodation, for the purposes of finding which a temporary permit for 7 days may be granted, and all such permits shall specify the dwelling, with the name of the occupier thereof, in which the lodger shall alone reside. For such a "lodger's permit" shall be charged one shilling per month, and such permits shall not be transferable. Strangers not desiring to remain longer than 24 hours may do so without obtaining any permit, provided that they report themselves to the Superintendent within three hours, and that he is satisfied that they have found suitable accommodation.

7. Any dwelling or other building erected or altered in contravention of these regulations, or which shall have become dilapidated or unfit for habitation, may be required by the Council to be rendered fit by the owner thereof, or to be put by him into a condition so as to conform to these regulations, and upon such owner failing so to do within a time to be specified by the Council, the Superintendent may demolish or otherwise deal with such dwelling or building as the Council may deem fit.

8. No person shall carry out any alteration to any building involving the removal of the roof or the pulling down of any external wall, or the construction of any new room in or in connection with such building without the approval in writing of the Superintendent.

9. The Council shall provide a sufficient and available supply of pure water, and assign and provide sufficient and suitable sanitary conveniences for the use of the inhabitants separate and distinct for males and females, and sites on which or whereat rubbish, litter, slops and other waste or offensive matters may and shall be deposited or disposed of. Provided that any occupier may, with the sanction of the Council, erect a suitable and approved pail closet in connection with his dwelling, provided that he shall conform to the general sanitary regulations in that behalf of the Municipality, and shall pay the usual charge for the removal of the night soil from such pail closet.

10. No hut or other dwelling erected or which may hereafter be erected in the location, shall be used for carrying on any business, or be put to any purpose other than residential, and any person contravening this regulation shall, on conviction, be liable to a penalty provided for a breach of these regulations.

11. Every resident in the location shall be bound to keep his dwelling in good order and clean and the plot of land belonging thereto free from rubbish, filth, burweed, thistle and prickly pear, and no person shall deposit any rubbish, filth or litter of any kind, or erect any closet, or commit any nuisance except at such place or places as shall have been pointed out by the Superintendent on behalf of the Council, under the penalty provided for a breach of these regulations.

12. It shall be the duty of each hut holder, without any request to do so, to give notice to the Superintendent

15. No native residing in such location will be allowed to keep or graze any cattle, horses, mules, asses, goats, sheep or pigs on the common pasture lands of the Municipality, and any native failing to observe this Bye-law shall be liable to a penalty of £2 sterling.

14. It shall not be lawful for any adult native within such location to appear outside of any hut or building unless being clothed with such articles of dress as common decency demands under a penalty of £1 sterling.

15. Every holder of a Lodger's Permit desirous of renewing same shall, within the first three days of each month, appear before the Superintendent for that purpose, and for every such renewal a fee of one shilling shall be payable to the Superintendent.

16. It shall be lawful for the Superintendent, the Health Officer or any other person duly authorised in writing by the Council at all reasonable times to enter any hut or dwelling for the purpose of sanitary inspection, and any occupier of a hut or dwelling who shall not forthwith comply with the lawful direction of the Superintendent, Health Officer or other such person appointed with regard to the cleaning of such hut or dwelling shall be liable to the penalty provided for a breach of these regulations.

17. Any person certified by the Health Officer to be affected with any disease, infectious, contagious or dangerous to the public health, may be ordered to remove from the location or to reside in such part of the location as may be reserved for such persons, under a penalty provided for a breach of these regulations.

18. Any person who shall obstruct the Superintendent or other duly authorised officer in the execution of his duty shall, on conviction, be liable for a penalty provided for a breach of these regulations.

19. It shall be lawful for the Mayor when and so often as he may deem it advisable or necessary to order an inspection of the location and to authorise and employ such person or persons as he may think fit for the purpose of finding out and ascertaining whether the sanitary arrangements are being properly carried out and whether there are any natives living in or at the location who are not right or authority to be there.

20. If any resident be sentenced for any offence to imprisonment without the option of a fine, his permit shall be cancelled and no fresh permit shall be issued to him without the special authority of the Council.

21. No European, except servants of the Council on duty constables or policemen shall be in the location between 9 p.m. and sunrise without lawful excuse (the proof of which excuse shall be on such person) under a penalty provided for a breach of these regulations.

22. Any person who shall contravene any of the above regulations or any order lawfully made thereunder shall be liable, on conviction, to a penalty not exceeding ten pounds (£10).

CHAPTER IX.

AS REGARDS GENERAL SANITATION

(Framed under Act 23 of 1897.)

Regulation relating to the Construction of Pail Closets.

1. Every owner or occupier of a dwelling, store or public building within the meaning of the second section of "The Public Health Amendment Act, 1897," shall provide such dwelling or public building to the satisfaction of the Council, with closet accommodation sufficient for the use of any persons living in or frequenting such dwelling or public building.

Every such closet shall:

(a) Be situate at least six feet distant from any dwelling or public building and so as to give easy access for the removal of the pail from such closet and from the premises to which such closet may belong, without carrying such pail or the nightsoil through any dwelling or public building; provided that in the case of existing closets the Council may relax or abandon the provisions of this sub-section as it may deem expedient.

(b) Be not less than the following internal dimensions, namely:—Depth from front to back, five feet; breadth, three feet six inches; height from floor to ceiling at the ceiling's lowest part, six feet six inches.

(c) Be properly and substantially constructed with impermeable wall and roof, and the floor composed of cement, concrete, flags, hard bricks, tiles, asphalt

or other impermeable, smooth and easily cleansed material, and laid in every part at least six inches above the level of the ground adjoining such closet, and having an even fall beneath the seat and towards the entrance door of at least one in twelve. The level of the floor of the space beneath the seat shall not, except in the case provided for under clause (g) hereof, be higher at any part than the level of the floor in front of the seat. The space beneath the seat shall not be connected with any external drain or with any pipe other than a ventilating pipe into the open air.

(f) Be provided with a properly constructed seat and riser of such height as to leave a space of not more than one inch between the under surface of the seat and the top or rim of the pail, and the under-surface of the seat shall have affixed thereto proper blocks or cleats to keep the pail always in proper position exactly under the aperture in the seat. Such aperture shall be at least one inch less in every diameter than the corresponding diameter of the top of the pail.

(g) Be provided with a proper external door to the space beneath the seat for the removal and replacement of the pail, but such door shall not open directly on to any public street or thoroughfare. Whenever it shall not be possible, in the opinion of the Council, to construct such external door, then the seat shall be constructed so as to give easy access from the inside of the closet for the removal and replacement of the pail, and in this case the floor beneath the seat shall be continuous with the floor of the seat, and shall have a continuous fall of at least one in twelve towards the entrance door of the closet.

(h) Have in connection therewith two nightsoil pails so that at all times one such pail shall be in place in the closet while the other is in course of being emptied and cleansed. Every such pail shall have a sufficient capacity not exceeding two cubic feet, and shall, according as the Council shall determine, be either of a pattern and material to be approved of by the Council or be supplied by the Council at a charge to the owner of not exceeding ten shillings per pail.

(i) Be at all times provided by the occupier of the premises with a suitable receptacle containing sufficient ashes, lime or dry earth, and having convenient means for applying the same to the contents of the pail after each use.

55. All stock found in or drinking in the public water-courses, except at such places as may be set aside for the purpose by the Council, shall be impounded, and the owners of such stock shall be liable, on conviction, to a fine of not exceeding 1s each for every head of such stock so found, in addition to the pound fees.

Conditions of Contract and Forms of Tender are obtainable from the Undersigned or from the Chief Traffic Manager, Cape Town, the Traffic Managers at Cape Town, Port Elizabeth and East London, and the Assistant Traffic Manager, Kimberley.

No tender will be considered unless it is on the printed form provided by the Department and is deposited in the Office of the Chairman of the Tender Board, Cape Town, at or before the time due for its receipt.

Sealed Tenders, marked on the outside "Tender for Cartage at stations on Cape Government Railways" may be addressed to the Chairman of the Tender Board, Cape Town, and will be received at his Office up to noon on the 14th March, 1910.

The Government does not bind itself to accept the lowest or any tender.

Tenderers should acquaint themselves with the Cartage Rates at the station or stations they tender for as they vary in distance, and have therefore not been separately provided for in the conditions of contract and in some instances the natural conditions necessitate other limitations.

PROCLAMATION

BY HIS EXCELLENCY MAJOR-GENERAL HENRY JENNER SCOBELL.

Commander of the Royal Victorian Order, Companion of the Most Honourable Order of the Bath, Senior Military Officer for the time being in Command of His Majesty's Regular Forces in the Cape Colony District, Administering the Government of the Colony of the Cape of Good Hope, with its Territories and Dependencies, etc., etc., etc.

WHEREAS by Proclamations Nos. 475 and 424, bearing date the 12th day of October, 1908, and 13th day of October, 1909, respectively, certain Regulations were promulgated in regard to fishing for Trout in the various public waters of this Colony: and whereas it has been shown to me to be expedient to amend and add to the said Regulations in certain respects:

Now, therefore, under and by virtue of the powers in me vested by Act No. 15 of 1893, as amended by Act No. 43 of 1899, entitled the "Fish Protection Act, 1899," I do hereby proclaim, declare and make known that, from and after the date of publication hereof, the Regulations contained in the Schedule hereto shall, until otherwise amended or repealed, be of force and effect in regard to the rivers and waters therein enumerated, in lieu of those promulgated by Proclamation No. 475 of 1908 hereinbefore referred to, which is hereby repealed in so far as the said rivers and waters are concerned.

Proclamation No. 424 of 1909 is hereby cancelled and repealed.

GOD SAVE THE KING!

Given under my Hand and the Public Seal of the Colony of the Cape of Good Hope, this 4th day of January, 1910.

H. SCOBELL, Major-General,
Officer Administering the Government.

By His Excellency's Command.

F. S. MALAN.

No. 2, 1910.

Schedule to the foregoing Proclamation.

REGULATIONS.

1. It shall be lawful to fish for Trout in the Berg, Breede, Eerste, Hex, Lourens, Bot, Palmiet and Zonder End Rivers and in any of the tributaries thereof and the Upper reaches of the Oliphant's River, situated on the farms "In Kruip," "Welgemeend," "Rosendale" and "Vischgat" between the 1st day of October in any year and the 15th day of January in the following year, both days inclusive and in Verkeerde Vlei, in the Division of Ceres, and Princess Vlei, Ronde Vlei and Seacow Vlei, in the Cape Division, between the 15th day of September in any year and the 31st day of March in the following year, both days inclusive, provided the following conditions be observed.

- (a) That no person shall fish for trout of any variety without having first registered his name with, and obtained a permit from the Resident Magistrate of any of the following districts, viz.: Cape Town, Paarl, Stellenbosch, Caledon, Ceres, Wellington, Tulbagh, Piquetberg and Worcester.
- (b) That the means employed for fishing for trout shall be rod and line only, and that artificial non-spinning fly only be used as a lure, which shall be dressed on a single hook not exceeding $\frac{3}{4}$ of an inch in length by $\frac{1}{4}$ of an inch across, except in the Princess Vlei, where spinning lures can be used, provided that such lures shall be mounted with not more than three single hooks instead of the usual flights of double or triangle hooks; and no nets or other modes of capture shall be allowed, but this shall not be held to exclude the use of a legitimate landing net or gaff for landing the fish caught.
- (c) That if any trout less than 10 inches in length be caught, it shall be forthwith returned to the water from which it was taken, with as little delay and as little injury as possible, and that the number of trout of 10 inches in length and over which may be caught by any person in one day shall not exceed 10.

- (d) That the consent of the owner on whose ground it is proposed to fish be first obtained. (In the case of waters situate within Forest Reserves a licence to fish must be obtained from the Forest Department in addition to the permit above alluded to.)
- (e) That the permit issued be produced for inspection when demanded by any member of the Police Force, Forest Officer, or other Government official, or by the owner of the property on which the holder of the permit is fishing.
- (f) That the permit be not transferable.

2. Notwithstanding anything to the contrary contained in Regulation 1 hereof, it shall be lawful for the Secretary for Agriculture, under such conditions as he may approve, to empower the Committee of any recognised Angling Society to issue permits to its Members to fish for trout with flies exceeding the limit prescribed in Regulation 1 aforesaid in the District in respect of which such Society is formed.

Such permits shall be in writing and shall be produced for inspection when demanded by any of the Officials or persons enumerated in Section (c) Regulation 1 hereof.

3. Riparian owners shall not require to obtain a permit to fish for trout in the open waters on their own property during the Fishing Season, but such fishing shall be otherwise subject to the conditions mentioned in Regulation No. 1 of this Schedule.

4. Any person or persons contravening any of the foregoing Regulations or any of the conditions thereof, shall be liable, on conviction, to a fine not exceeding twenty pounds sterling (£20) for each offence, and in default of payment thereof to imprisonment with or without hard labour for a period not exceeding three months.

EDWARD THE SEVENTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India.

To **ABRAHAM MER, JOHN MER and BARNETT MER**, trading as **A. Mer & Sons**, formerly of Cape Town, but presently of 28, Fox Street, Johannesburg, Transvaal (hereinafter called the Defendants).

WHEREAS upon the Petition to the Right Honourable the Chief Justice and the Judges of Our Supreme Court of Our said Colony of **GEORGE WILLIAM SIEYTLER**, in his capacity as the Secretary for the time being of the Colonial Orphan Chamber and Trust Company, and, as such, Executor Testamentary of the Estate of the late **ROBERT STUART** (hereinafter called the Petitioner) against the said Defendants, it appears to us that the said Defendants are justly and truly indebted to the said Petitioner in the sum of four hundred pounds (£400 0s. 0d.) sterling, together with interest thereon at the rate of six per cent. per annum from the 1st January, 1908, under and by virtue of a certain Mortgage Bond bearing date the 18th December, 1901, for which capital sum and interest the said Petitioner obtained judgment in this Honourable Court against the said Defendants on the 21st day of December, 1909.

And whereas on the 29th day of December, 1909, the said Petitioner issued out of this Honourable Court a writ of execution against the movable assets of the said Defendants for the amount of the said debt, together with interest and costs, to which the Sheriff of this Colony has made the return:—"No goods or chattels of the Defendants having been pointed out, or, after diligent search found, whereof the exigency of this writ or any part thereof could be made."

And whereas the said Petitioner values the property specially hypothecated under the said Bond at £250 sterling, and is unable to find that the Defendants have any other assets in this Colony. And the said Defendants did thereby commit an Act of Insolvency, whereupon the said Petitioner prayed that the Estate of the said Defendants might be sequestrated for the benefit of their Creditors. And whereas it further appears to us of record that the Right Honourable Sir John Henry de Villiers, P.C., K.C.M.G., one of the Judges of the Supreme Court of Our said Colony, did, by Order under his hand bearing date the 5th day of January, 1910, place the Estate of the said Defendants under sequestration provisionally in the hands of the Master of the said Court until the same should be thereafter adjudged to be sequestrated, or the said Petition should be discharged. Now, therefore, in pursuance of the said order of the said Right Honourable Sir John Henry de Villiers, we command you and each of you, the said Defendants, to appear before Our Justices of the Supreme Court of Our said Colony, at Cape Town, on the 18th day of January, 1910, at 10.30 o'clock in the forenoon, to show cause, if you have any, why your Estate should not by sentence of the said Court be adjudged to be sequestrated for the benefit of your Creditors.

Thus done and granted in the Supreme Court of Our said Colony, at Cape Town, on the 8th day of January, 1910, in the Ninth Year of Our Reign.

(e) Dat het verlofbriefje uitgegeven vertoond wordt wanneer daarom gevraagd door eenig lid van de Politie, Boschwachter, of ander Gouvernements beambte, of door den eigenaar van het eigendom waarop de houder van het verlofbriefje vischt.

(f) Dat het verlofbriefje niet overdraagbaar is.

2. Niettegenstaande eenig iets daarmede tegenstrijdig vervat in Regulatie 1 hiervan, is de Secretaris voor Landbouw geoorloofd, onder zoodanige voorwaarden als hij moge goedkeuren, het Comité van een erkende Visch Vereeniging te machtigen verlofbriefjes uit te geven aan hare leden om te vissen naar forellen met vliegen grooter dan bepaald is in Regulatie 1 voornoemd in het Distrikt waarvoor zoodanige vereeniging is gevormd.

Zoodanige verlofbriefjes zullen in geschrifte zijn en zullen worden vertoond voor inspectie wanneer er om gevraagd wordt door eenige Beamten of personen vermeld in sectie (c), Regulatie 1, hiervan.

4. Eenig persoon of personen overtredende eenig van de voorgaande regulaties of eenige der voorwaarden daarvan, zal, schuldig bevonden, strafbaar zijn met eene boete van niet meer dan twintig pond sterling (£20) voor iedere overtreding en bij gebreke van betaling daarvan, aan gevangenisstraf, met of zonder harden arbeid, voor een tijdperk van niet langer dan drie maanden.

IT is hereby notified for general information that His Excellency the Officer Administering the Government, with the advice of the Executive Council, has been pleased, in terms of Section 62, Sub-section 2, of the Irrigation Act No. 32 of 1905, to approve of the by-laws made by the Breede River (Robertson) Irrigation Board as set forth in the Schedule hereunto annexed.

LEWIS MANSERGH,
Secretary for Public Works.

SCHEDULE.

BY-LAWS OF THE BREEDE RIVER (ROBERTSON) IRRIGATION BOARD, FRAMED UNDER SECTIONS 55 AND 62 OF THE IRRIGATION ACT, 1906.

Section 62 (1) (a): *The Regulation of the Proceedings of the Board.*

1. The Board shall meet for the transaction of business on the first Tuesday in every month, except when such day shall fall on any day being a non-business day within the meaning of the Bills of Exchange Act, 1883, in which case it shall meet on the day following.

2. At the first meeting of the Board after every triennial election of members of the Board the members present shall elect a temporary Chairman by ballot. After the temporary Chairman has been elected, the name of

some member of the Board shall be proposed and seconded by two other members of the Board as Chairman of the Board for the ensuing three years. If more than one member be proposed and seconded as Chairman, the temporary Chairman shall put the nominations to the vote of the members present. Voting shall be by ballot, and the person having the greatest number of votes shall be declared the Chairman of the Board, and shall immediately take the chair and preside for the remainder of the meeting.

If two or more candidates have received an equal number of votes the names shall again be put to the vote, and if an equal number of votes be again recorded the question as to which of such persons shall be elected shall be determined by lot to be drawn in the presence of the members present at the meeting.

3. Immediately after the election of the Chairman, and from time to time as may be necessary, the Board shall proceed to elect, by ballot, if demanded, the members of such Standing and Special Committees as may be required for the carrying on of the business of the Board, and every such Committee shall consist of two or more members as the Board may from time to time determine, and no member duly elected a member of any such Committee shall be at liberty to decline to act as such, except on the ground of his having been elected a member of any other Standing Committee. The Chairman shall *ex officio* be a member of all Committees.

4. At every ordinary meeting of the Board the following order of proceedings shall be observed:—

- (i.) The Minutes of the former meeting shall be read, confirmed by the vote of the Board, and signed by the Chairman.
- (ii.) The reports of the several officers of the Board shall be considered.

5. MINISTERIAL DIVISION OF COMMISSIONER OF PUBLIC WORKS.

- (iii.) The subjects which have by a former meeting been reserved for further consideration or re-consideration shall be submitted.
- (iv.) The several reports of Committees, either Standing or Special, shall be considered.
- (v.) Subjects of which notice shall have been given by the Secretary in manner provided by by-law No. 7 shall be considered.
- (vi.) All such applications, complaints or communications in writing as shall have been received by, or made to, the Secretary on or before the day preceding the meeting, not being within any of the preceding sections, shall be discussed.

5. The Chairman, or in his absence the member chosen by those present to preside at any meeting, shall maintain order and shall decide all disputed points of order, strictly observing the above order of procedure, and causing the same to be duly observed.

6. The order list may be suspended on the motion of any member, such motion being duly seconded and carried, but no discussion on such motion shall be allowed in any case whatever.

7. It shall be competent for any member to bring any matter under the consideration of the Board in the manner following:—He shall at least 14 days before the meeting of the Board at which he desires the said matter to be considered give notice to the Secretary in writing of his intention so to do together with a copy of any motion which he intends to propose, and it shall be the duty of the Secretary to send a copy of such notice and motion to each of the other members of the Board forthwith.

8. In discussing the several matters in the order aforesaid, every member shall address the Chair, and no member shall be allowed to speak for longer than five minutes on any one subject without consent of the Chairman or member presiding.

9. No member may speak twice to a question before the Board, except in explanation or reply, but he shall not be considered to have spoken on the question by reason of his having moved for an adjournment or for a Committee of the Board. Only the mover of the original motion, or, on his declining, the seconder thereof, shall have the right to reply.

10. A member who has spoken to a question may again be heard to explain himself in regard to some material part of his speech, but he shall not introduce any new matter.

11. On taking the votes the Chairman or member presiding shall call for a show of hands, but it shall be competent for any member to call for a division and the votes to be recorded.

12. Any member of a Standing Committee or Special Committee absenting himself from three consecutive meetings of such Committee, without the consent of the Board or Committee being first obtained, shall *ipso facto* forfeit his seat on such Committee, and another member shall be appointed in his place by the Board.

13. A Special Meeting of the Board shall be convened at any time by the Secretary upon his being requested thereto in writing by the Chairman, or by three members of the Board; provided that each member shall receive at least forty-eight hours' written notice before the meeting is held. Every such notice shall specify the time of the meeting and the object thereof. No business shall be transacted at any Special Meeting except such as is stated in the notice thereof.

Section 22 (1) (b): The Regulation of the Flow of Water in and of the Distribution and Use of Water from and in the Board's Channels and other Works, and the closing of such Channels and Works at certain times and seasons, whether for the purpose of Repairs or for the benefit of the adjoining lands or for any other reason.

14. The area under irrigation from the Canal shall be divided into twelve (12) sections, each containing approximately 207 morgen of land, and a schedule showing such sections shall be drawn up and posted at the Secretary's Office for the information of the ratepayers.

15. The water shall be distributed from the Canal by means of regulating sluices of a standard prescribed pattern in the bank of the Canal, such sluices to be constructed by the Board at the expense of the ratepayer or ratepayers for whose benefit they shall be constructed, who shall pay the cost thereof to the Board so soon as the work is completed, and shall be liable for the cost of their being maintained and kept in order.

16. The dimensions of any one sluice, governing its capacity when fully open for drawing water from the Canal, shall be determined by the Board's Overseer, acting under these Regulations. In fixing these dimensions due regard must be had to the "Head" of water under which any particular sluice is working so as to insure an equitable distribution of water.

17. Unless with the express permission of the Board, only one sluice will be allowed to be open at a time in any one of the twelve sections, save as provided for in By-Law No. 19.

18. Each ratepayer shall be responsible for the opening of his sluice, and the closing thereof, at the commencement and end of his turn of water, but he shall not interfere with any of the fixed portions of the sluice-way as adjusted by the Overseer, nor do any act tending to increase the discharging capacity of the sluice above that determined by the Overseer.

19. Ratepayers are permitted to exchange their turns of water, provided notice thereof is at once given to the Secretary or Board's Overseer of their intention so to do, and should a ratepayer in one section exchange water with a ratepayer in another section, then and in that case more than one sluice may be open at a time in a section in order to allow of the exchange.

20. When the Canal is running full each ratepayer shall be allowed a turn of water equal to about three-quarters of an hour's water for each acre of land every fourteen days.

21. When the Canal, on measurement taken at Mr. J. P. Marais' farm "Wonderfontein," only shows a depth of from twenty to seven inches of water for the space of seven days, then the Board's Overseer is authorised to diminish the quantity of water allowed each ratepayer so that an equal distribution is made.

22. When the Canal, on measurement taken at the above spot, shows less than seven inches of water, then all the sluices shall be closed, and the water shall be used only for domestic purposes.

23. The Board shall have the right from time to time as it shall deem fit to prevent the flow of water in the Canal altogether; provided, however, that it shall give ratepayers at least fourteen days' notice in writing of its intention so to do, unless the same is necessitated by a wash-away or some other urgent reasons permitting of no delay.

24. No person shall without proper authority open or shut any sluice in the Canal or interfere with the Regulation thereof, or place any dam or obstruction in or across the Canal or unlawfully interfere with the flow of the water therein or through any of the sluices thereout or weaken the banks of the Canal by digging in the same or wash or bathe in the Canal or in any other manner pollute the water of the Canal or cause any one of the above acts to be done by his servant or any other person.

25. The proprietor of any land, upon which a wire fence now exists, crossing a furrow constructed by the Board shall allow the Board to place a gate in such furrow at its own expense, in the vicinity of such furrow, but the proprietor of any land upon which a wire fence constructed after the promulgation of these By-laws crosses such furrow, shall be required to place a gate in such fence at his own expense. The gates shall be so placed in the fences as to admit vehicles or persons on horseback to pass through for the purpose of inspecting, repairing or travelling along the furrow in connection with any business which may require any officer or officers of the Board to proceed along the furrow.

2. The Prime Minister shall be charged with the administration of any Territory thus transferred, and he shall be advised in the general conduct of such administration by a commission consisting of not fewer than three members with a secretary to be appointed by the Governor-General-in-Council, who shall take the instructions of the Prime Minister in conducting all correspondence relating to the Territories, and shall also under the like control have custody of all official papers relating to the Territories.

3. The members of the commission shall be appointed by the Governor-General-in-Council and shall be entitled to hold office for a period of ten years, but such period may be extended to successive further terms of five years. They shall each be entitled to a fixed annual salary, which shall not be reduced during the continuance of their term of office, and they shall not be removed from office except upon addresses from both Houses of Parliament passed in the same session praying for such removal. They shall not be qualified to become, or to be, members of either House of Parliament. One of the members of the commission shall be appointed by the Governor-General-in-Council as vice-chairman thereof. In case of the absence, illness, or other incapacity of any member of the commission, the Governor-General-in-Council may appoint some other fit and proper person to act during such absence, illness, or other incapacity.

1. PRIME MINISTER'S MINISTERIAL DIVISION.

4. It shall be the duty of the members of the commission to advise the Prime Minister upon all matters relating to the general conduct of the administration of, or the legislation for, the said Territories. The Prime Minister or another minister of State nominated by the Prime Minister to be his deputy for a fixed period, or, failing such nomination, the vice-chairman shall preside at all meetings of the commission, and in case of an equality of votes shall have a casting vote. Two members of the commission shall form a quorum. In case the commission shall consist of four or more members, three of them shall form a quorum.

8. Where it appears to the Prime Minister that the dispatch of any communication or the making of any order is urgently required, the communication may be sent or order made, although it has not been submitted to a meeting of the commission or deposited for the perusal of the members thereof. In any such case the Prime Minister shall record the reasons for sending the communication or making the order and give notice thereof to every member.

9. If the Prime Minister does not accept a recommendation of the commission or proposes to take some action contrary to their advice, he shall state his views to the commission, who shall be at liberty to place on record the reasons in support of their recommendation or advice. This record shall be laid by the Prime Minister before the Governor-General-in-Council, whose decision in the matter shall be final.

10. When the recommendations of the commission have not been accepted by the Governor-General-in-Council, or action not in accordance with their advice has been taken by the Governor-General-in-Council, the Prime Minister, if thereto requested by the commission, shall lay the record of their dissent from the decision or action taken and of the reasons therefor before both Houses of Parliament, unless in any case the Governor-General-in-Council shall transmit to the commission a minute recording his opinion that the publication of such record and reasons would be gravely detrimental to the public interest.

11. The Governor-General-in-Council shall appoint a resident commissioner for each territory, who shall, in addition to such other duties as shall be imposed on him, prepare the annual estimates of revenue and expenditure for such territory, and forward the same to the secretary to the commission for the consideration of the commission and of the Prime Minister. A proclamation shall be issued by the Governor-General in Council, giving to the provisions for revenue and expenditure made in the estimates as finally approved by the Governor-General in Council the force of law.

12. There shall be paid into the Treasury of the Union all duties of customs levied on dutiable articles imported into and consumed in the territories, and there shall be paid out of the Treasury annually towards the cost of administration of each territory a sum in respect of such duties which shall bear to the total customs revenue of the Union in respect of each financial year the same proportion as the average amount of the customs revenue of such territory for the three completed financial years last preceding the taking effect of this Act bore to the average amount of the whole customs revenue for all the Colonies and territories included in the Union received during the same period.

13. If the revenue of any territory for any financial year shall be insufficient to meet the expenditure thereof, any amount required to make good the deficiency may, with the approval of the Governor-General-in-Council, and on such terms and conditions and in such manner as with the like approval may be directed or prescribed, be advanced from the funds of any other territory. In default of any such arrangement, the amount required to make good any such deficiency shall be advanced by the Government of the Union. In case there shall be a surplus for any territory such surplus shall in the first instance be devoted to the repayment of any sums previously advanced by any other territory or by the Union Government to make good any deficiency in the revenue of such territory.

14. It shall not be lawful to alienate any land in Basutoland or any land forming part of the native reserves in the Bechuanaland Protectorate and Swaziland from the native tribes inhabiting those territories.

15. The sale of intoxicating liquor to natives shall be prohibited in the territories, and no provision giving facilities for introducing, obtaining, or possessing such liquor

18. There shall be free intercourse for the inhabitants of the territories with the rest of South Africa subject to the laws, including the pass laws, of the Union.

19. Subject to the provisions of this schedule, all revenues derived from any territory shall be expended for and on behalf of such territory: Provided that the Governor-General-in-Council may make special provision for the appropriation of a portion of such revenue as a contribution towards the cost of defence and other services performed by the Union for the benefit of the whole of South Africa, so, however, that that contribution shall not bear a higher proportion to the total cost of such services than that which the amount payable under paragraph 12 of this Schedule from the Treasury of the Union towards the cost of the administration of the territory bears to the total customs revenue of the Union on the average of the three years immediately preceding the year for which the contribution is made.

20. The King may disallow any law made by the Governor-General-in-Council by proclamation for any territory within one year from the date of the proclamation, and such disallowance on being made known by the Governor-General by proclamation shall annul the law from the day when the disallowance is so made known.

21. The members of the commission shall be entitled to such pensions or superannuation allowances as the Governor-General-in-Council shall by proclamation provide, and the salaries and pensions of such members and all other expenses of the commission shall be borne by the territories in the proportion of their respective revenues.

22. The rights as existing at the date of transfer of officers of the public service employed in any territory shall remain in force.

23. Where any appeal may by law be made to the King in Council from any court of the territories such appeal shall, subject to the provisions of this Act, be made to the Appellate Division of the Supreme Court of South Africa.

24. The Commission shall prepare an annual report on the territories, which shall, when approved by the Governor-General-in-Council, be laid before both Houses of Parliament.

25. All bills to amend or alter the provisions of this Schedule shall be reserved for the signification of His Majesty's pleasure.

2. The Prime Minister shall be charged with the administration of any Territory thus transferred, and he shall be advised in the general conduct of such administration by a commission consisting of not fewer than three members with a secretary to be appointed by the Governor-General-in-Council, who shall take the instructions of the Prime Minister in conducting all correspondence relating to the Territories, and shall also under the like control have custody of all official papers relating to the Territories.

They shall not be qualified to become, or to be, members of either House of Parliament. One of the members of the commission shall be appointed by the Governor-General-in-Council as vice-chairman thereof. 1. PRIME MINISTER'S MINISTERIAL DIVISION.

4. It shall be the duty of the members of the commission to advise the Prime Minister upon all matters relating to the general conduct of the administration of, or the legislation for, the said Territories. 8. Where it appears to the Prime Minister that the dispatch of any communication or the making of any order is urgently required, the communication may be sent or order made, although it has not been submitted to a meeting of the commission or deposited for the perusal of the members thereof. In any such case the Prime Minister shall record the reasons for sending the communication or making the order and give notice thereof to every member.

13. If the revenue of any territory for any financial year shall be insufficient to meet the expenditure thereof, any amount required to make good the deficiency may, with the approval of the Governor-General-in-Council, and on such terms and conditions and in such manner as with the like approval may be directed or prescribed, be advanced from the funds of any other territory. In default of any such arrangement, the amount required to make good any such deficiency shall be advanced by the Government of the Union. In case there shall be a surplus for any territory such surplus shall in the first instance be devoted to the repayment of any sums previously advanced by any other territory or by the Union Government to make good any deficiency in the revenue of such territory.

14. It shall not be lawful to alienate any land in Basutoland or any land forming part of the native reserves in the Bechuanaland Protectorate and Swaziland from the native tribes inhabiting those territories.

18. There shall be free intercourse for the inhabitants of the territories with the rest of South Africa subject to the laws, including the pass laws, of the Union.

19. Subject to the provisions of this schedule, all revenues derived from any territory shall be expended for and on behalf of such territory: Provided that the Governor-General-in-Council may make special provision for the appropriation of a portion of such revenue as a contribution towards the cost of defence and other services performed by the Union for the benefit of the whole of South Africa, so, however, that that contribution shall not bear a higher proportion to the total cost of such services than that which the amount payable under paragraph 12 of this Schedule from the Treasury of the Union towards the cost of the administration of the territory bears to the total customs revenue of the Union on the average of the three years immediately preceding the year for which the contribution is made.

20. The King may disallow any law made by the Governor-General-in-Council by proclamation for any territory within one year from the date of the proclamation, and such disallowance on being made known by the Governor-General by proclamation shall annul the law from the day when the disallowance is so made known.

21. The members of the commission shall be entitled to such pensions or superannuation allowances as the Governor-General-in-Council shall by proclamation provide, and the salaries and pensions of such members and all other expenses of the commission shall be borne by the territories in the proportion of their respective revenues.

22. The rights as existing at the date of transfer of officers of the public service employed in any territory shall remain in force.

23. Where any appeal may by law be made to the King in Council from any court of the territories such appeal shall, subject to the provisions of this Act, be made to the Appellate Division of the Supreme Court of South Africa.

24. The Commission shall prepare an annual report on the territories, which shall, when approved by the Governor-General-in-Council, be laid before both Houses of Parliament.

25. All bills to amend or alter the provisions of this Schedule shall be reserved for the signification of His Majesty's pleasure.

Total	379

The demand during the preceding month was 106.

The number of men sent to definite work by the Labour Bureau was 92, made up as follows: Building trades, 10; engineering trades, 6; factory workers, 4; clerks, canvassers, salesmen, &c., 1; servants (indoor and outdoor), 12; overseers, warders and attendants, 5; farm hands, 0; labourers, 54. Fifty-eight men were sent to work during the preceding month.

Nine women registered their names for employment, and 5 of this number were provided with work as monthly servants and charwomen.

The total number of applications for employment (including renewals) received during the periods under report was 318, of which the following is an analysis:—

	EUROPEAN.		COLOURED.	
	Class I.	Class II.	Class I.	Class II.
Artizans, building trades	5	5	2	25
Artizans, Engineering trades	1	4	4	7
Factory workers (not included in above)	1	4	6	6
Clerks, bookkeepers, storemen, canvassers and salesmen	7	13	—	4
Coachmen, gardeners, waiters, &c.	7	4	5	24
Overseers, warders, gangers, etc.	2	5	—	—
Farm hands	—	1	—	15
Labourers and handy-men	10	14	10	127
Totals	33	50	27	208
Grand Total	318			

280 applications were received during the preceding month.

The great increase in the above demand was mainly due to the large number of coloured men required for work on the diamond diggings and railway construction in German South-West Africa; the terms offered being £3 per mensem with food, shelter, medical attendance and a return ticket to Cape Town in twelve months. Labour Agents were also actively engaged in the collection of "Cape Boys" for the Rand Mines, the demand being at present much in excess of the supply, and it is considered that if a system were adopted under which the mines would be enabled to guarantee a monthly allotment of cash to the wives of the men proceeding, the recruiting field would be much enlarged and a better class of labourers be induced to proceed.

Apart from the above special increase in the demand for labour, the continued increase in the number of requisitions received for artizans, show that the general improvement in the state of the labour market noted for November was well maintained during the period under report.

The following situations could not be filled although frequent notices were inserted in the Press:—Binder's finisher, boilermaker, brushmaker, cardboardboxmaker, compositors, electrical fitter, engineer's foreman, linotype operators (English and Dutch), saddlers, tinsmiths, and upholsterers.

The Europeans at the Dwyka Railway Works will cease to be employed on the completion of their present contracts and will probably be replaced by coloured labourers working under sub-contractors. The Europeans now employed have been offered transfer to the Eende Kuil Railway Works, and many have already proceeded to this centre.

The Child's Life Protection Society has opened a Creche, at 89, Hatfield Street, for European children.

Rondebosch.—Three plans were approved, including one dwelling-house.

TENDERS INVITED.

Tenders, which were receivable up to and including the dates indicated in parenthesis, were invited for the following services:—

The erection of the New Law Courts, Cape Town. The Controller and Auditor-General (8/3/1910).

The painting of and sundry repairs to the Custom House, Adderley Street. The Divisional Engineer, Public Works Department, Cape Town (6/1/1910).

The construction of an earthenware drain at Paradise, Simon town. The Town Clerk (6/1/1910).

The reseating of the Dutch Reformed Church at Philadelphia. Mr. F. Cherry, Architect, Cape Town.

The repair of the Louw Bridge, Hermon. The Secretary, Divisional Council, Malmesbury.

The erection of Foundations for additions to the Houses of Parliament, Cape Town. The Secretary for Public Works (17/1/1910).

The extension of the Maitland School. The Secretary, School Board Offices, Cape Town (13/1/1910).

The supply of 400 cubic yards of macadam. The Town Clerk, Rondebosch (18/1/1910).

INDUSTRIES.

Cardboard Box Making.—Fairly busy. A vacancy for a fully qualified (male) hand is reported. *Plumbing.*—Dull. *Painting and Decorating.*—Improving steadily. *Coach and Wagon Building.*—Slightly improved. *Printing.*—Very good. The six vacancies notified for compositors last month have now been filled, but a considerable amount of work is still in hand. Linotype operators, lithographers and binders were busily engaged and vacancies were reported in each class. *Sheet Metal Working.*—There is a steady improvement in this industry, and first-class hands (2) are in demand. *Jam Making.*—Very busy. *Confectionery.*—Now that the holiday season is over there is less activity in this branch. A vacancy for a panman is notified. *Engineering.*—Good. The vacant situations for boilermakers' electrical fitter and milling engineer's foreman, advertised in last month's report, have not yet been filled, and there is little doubt that any surplus of skilled men formerly existing has now disappeared. No large contracts were in hand, but the work in progress afforded employment to all permanent men, and no short time was in operation. *Paint Making.*—A factory has been opened by the Mangolio Paint Company at 89 Sir Lowry Road, and additional machinery is now in course of erection to deal with the large number of orders which have been received. It is interesting to note that a speciality is made of the manufacture of paint from materials obtained in the Colony, and particularly the Western Province. *Baking.*—Very fair. Owing to the large number of visitors to the Peninsula, there was not that seasonal falling off in the demand for bread usually associated with the coming of the hot weather. *Biscuit Making.*—Moderately busy. *Milling.*—Improving. A few increases of hands are reported. *Fish Curing and Packing.*—Much brighter. *Tent and Sailmaking.*—Brisk. The majority of hands were working overtime. *Furniture Manufacture.*—The demand from up-country centres for locally manufactured furniture continues to be brisk, and vacancies exist for upholsterers, cabinet makers and polishers. *Joinery.*—This industry continues to improve, the boxmakers in particular being busily employed to meet the demand for fruit boxes for export. There was also a considerable output of sundry joinery to German South-West Africa. *Shop Fitting.*—No local contracts of any consequence were in hand after the middle of the month and about 15 hands were paid off before the holidays. *Granite Dressing.*—Improving. I am informed that so many men of this trade have now left the Peninsula that it has become comparatively easy for those remaining to secure employment, and in view of the erection of the superstructure of the Law Courts, shortly to be put in hand, the prospects are considered to be fair.

OTHER WORKS IN PROGRESS.

The following are particulars of Municipal and other works in progress, the number of men employed being stated

Office of the Surveyor-General,
Cape Town, 36th December, 1909.

[1909.]

IN terms of Section 6, Act 26 of 1891, as re-enacted by Act No. 18 of 1897, and in terms of a Resolution adopted by the House of Assembly on the 10th September, 1907, and concurred in by the Legislative Council on the 13th idem, it is hereby notified that the following piece of Crown Land, situate in the Division of Barkly West, will be offered for Lease, by Public Auction, in front of the Civil Commissioner's Office, at Barkly West, at 10 o'clock a.m., on Wednesday, 9th February, 1910, subject to the Conditions and Stipulations hereinafter contained, and further to such Conditions as may be declared on the day of Sale.

The Land will be let on Lease for any term not less than five years and not exceeding 21 years to the highest bidder, who shall bid not less than the upset rent.

The following are the General Conditions of Lease:-

- (1) The Government shall at all times have the right to terminate the lease by giving twelve months' notice.
- (2) One year's rent shall be paid to the Civil Commissioner on the day of sale, and the due payment in advance of the rent for the subsequent years shall be secured by approved sureties: provided that the Civil Commissioner may receive two years' rent in advance, in which case the said security shall not be required.
- (3) Government Land Surveyors employed in the survey of Crown or other lands, or Engineers in the service of the Government, with their assistants and servants, shall have the right of access at any time to any part of the land leased for professional purposes, and the right of occupying any part of the land, and grazing and watering their cattle or horses on all pastures and at all waters.
- (4) All roads, paths or tracks running over the land leased shall remain free and uninterrupted until closed by competent authority in due form of law.
- (5) The right to all ores, metals, minerals, or precious stones is reserved to the Government, but the lessee shall have such owner's rights as are or may be conferred upon lessees of Crown Land by any Act relating to mining.
- (6) The Government does not undertake to point out any beacons, but the lessee shall be bound to preserve and keep in proper repair the beacons erected at all the angles of the land so leased. The description of each lot will be given on the day of sale of the leases, and the lessee will thereupon be expected to find the extent leased by him.
- (7) The lessee shall for no purposes whatever cut down, bark or otherwise injure any trees or cut down or destroy any underwood or brushwood on land leased, or permit anyone to do so.
- (8) The lessee shall be required to keep all existing improvements on the land in good repair during the lease, and to deliver up the same in good repair, but shall not be entitled to any compensation for the same.
- (9) In the event of the lessee making improvements of a permanent nature on the land he shall be entitled on the termination of the lease, by effluxion of time

or by notice, to compensation for the then value of his improvements: provided that before proceeding to carry out any improvements the lessee shall notify to the Surveyor-General the nature of the works he proposes to carry out and the estimated value of such works: and work must not be commenced until the approval of the Government has been obtained.

- (10) The value of the said improvements, if less than £50, shall, however, not be recoverable in any way, nor shall the compensation payable to the lessee exceed £1,000.
- (11) The lessee shall be bound to notify the Civil Commissioner of the Division not less than three months before the date of the expiration of the lease, of the nature and estimated value of the improvements: such statement to be accompanied by a certificate in support of the assessment from the nearest resident Field-cornet after an inspection by him. The expenses of such Field-cornet, at the Government tariff rates, shall be paid by the lessee before his lease expires.
- (12) In the event of no such report from the lessee being received, it will be taken for granted that no improvements of the value of £50 have been effected.
- (13) The lessee shall not transfer the lease nor sub-let the land or any portion of it, or any building or erections thereon, without the written sanction of the Government first obtained.
- (14) The lessee shall wholly and absolutely forfeit his lease, together with all improvements made, upon the breach of any condition binding him.
- (15) The Government reserves to itself the right to limit the number of persons and live stock who may reside on the land hereby leased during the subsistence of the lease, and, upon the recommendation of the Divisional Council, after due inquiry made with cognizance of the lessee, either to remove such numbers of persons as it may consider excessive or to cancel the lease, as may seem to it equitable under the circumstances.
- (16) The occupation of land under this lease shall not be held to be bona fide occupation under the provisions and for the purposes of Section twenty of Act No. 40 of 1875.
- (17) The lessee shall be responsible for the preservation of all game on the land so leased; and all shooting or other destruction of game is strictly prohibited, except under permission granted in writing by the Minister to the lessee in person to shoot certain game for domestic purposes only and not for sale. The letting of shooting rights over the land so leased is strictly prohibited.

The Stamps required by Act No. 20 of 1884, to be affixed to the Contracts of Lease, will be furnished by the Government free of charge to the Lessee.

Other conditions may be declared on the day of Sale.

GEO. ARMSTRONG & CO.'S SALE.

In the Insolvent Estate of DANIEL JACOBUS MICHAU.

SALE BY PUBLIC AUCTION OF TOWN PROPERTIES.

DULY instructed by the Trustees in the above Insolvent Estate, we will offer by Public Auction, in front of our Offices, Cradock, on Saturday, 29th January, 1910, at 4 o'clock p.m., the following properties:—

(1). The House and large garden adjoining the well-known premises of the Mayor in Bree Street, Cradock. On this erf there is a large and commodious House, Stabling, etc., and this affords an opportunity of securing a water erf, such as is not often to be had.

(2). The Premises situate on Durban Square, adjoining the fine block known as Webber's Buildings. These buildings, situate as they are, opposite the ground granted to the Government for the Public Offices, are an excellent investment.

(3). The House and Outbuildings in Market Street, at one time occupied by P. J. du Plessis as a butchers shop, well built, the dwelling being of stone, and adjoining the property of Mr. Gideon Botha.

(4). The Property consisting of a number of tenements which at one time produced a grand rental—near the well known business of Mr. E. G. Moorcroft—and which have always been considered good business places.

(5). The property formerly owned by Paul Mare situate at the corner of Sprigg and Victoria Streets, consisting of a large dwelling house and outrooms. Situate as this place is in the heart of the town it makes a desirable residence.

(6). The double storied houses situate in Sprigg street, nearly opposite the Sprigg Street entrance to Dr. Clark's Residence, would form an investment such as not to be had every day.

(6). The house and garden adjoining the property of the late Mr. Conchar in High Street, this would make with its garden a desirable residence.

(7). The vacant erf adjoining the property of Mr. Cooney. This is a large erf, being in extent some 50 rods.

(8 & 9). The properties in Market-street, one at present occupied by Mr. KINAHAN, and the house opposite between the properties of Messrs. LOMPAARD and HATTINGH. Situate as these are, practically on the Market-square and within a stone's throw of the business of the town, they are most desirable houses.

(10) The property formerly owned by Mr. HENRY PITT, and adjoining the Adderley-street property of Mr. FLEET GILFILLAN, consisting of a small house.

In an advertisement such as this, it is impossible to adequately describe the various premises, and intending purchasers would do well to inspect for themselves. The Auctioneers will give them every information.

Terms of Sale will be made to suit the Purchasers, and are most liberal.

morgen land, en een schedule aantoonende zoodanige secties zal worden opge'rokken en aangeplakt worden in het Secretaris Kantoor ter inlichting van belastingbetalers.

15. Het water zal worden verdeeld uit de Kanaal door middel van regulee sluisen van een vastgestelde soort in den oever van het Kanaal, zoodanige sluisen te worden gebouwd door den Raad op kosten van de belastingbetaler of betalers voor wier nut zij zullen worden gebouwd, die de kosten daarvan moeten betalen aan den Raad zoodra het werk voltooid is, en aansprakelijk zijn voor de kosten van hun onderhoud en in orde houding.

22. Wanneer het Kanaal, bij meting genomen op bovengenoemde plek, minder dan zeven duim water toont, dan zullen alle sluisdeuren worden gesloten, en het water zal worden gebruikt alleen voor huishoudelijke doeleinden.

23. De Raad zal het recht hebben van tijd tot tijd, zooals hij dienstig oordeelt, de stroom van het water in het Kanaal geheel te verhinderen; mits echter dat de Raad aan de belastingbetalers minstens veertien dagen vooraf schriftelijke kennis geeft van zijn voornemen om aldus te doen, tenzij het noodzakelijk wordt gemaakt door een wegspeeling of andere spoedeischede redenen die geen vertraging toelaten.

24. Geen persoon mag zonder behoorlijke autoriteit een sluis openen of sluiten in het Kanaal, of zich bemoeien met de Regulatie daarvan, of eenige dam of versperring plaatsen in of over het Kanaal of zich onwettig bemoeien met den stroom van het water daarin of door eenige der sluisen daaruit of de oevers van het Kanaal verzwakken door daarin te graven, of te wasschen of te baden in het Kanaal, of op eenige andere manier het water van het Kanaal te bevuilen of een der bovengenoemde handelingen te doen door zijn dienstbode of eenig ander persoon.

De hekken zullen zoo worden geplaatst in de heiningen dat ruituigen of personen te paard er door kunnen gaan ten einde de sloot te inspecteren, te herstellen of daarlangs te rijden in verband met eenige bezigheid welke eenige beambte of beambten van den Raad noodig maakt langs de sloot te gaan.

[REGULATIONS FOR THE ELECTION OF SENATORS PROMULGATED BY THE
GOVERNOR-IN-COUNCIL UNDER SECTION 134 OF THE SOUTH AFRICA
ACT.]

I. In these Regulations :—

(1) "*Continuing Candidates*" mean candidates not elected or not excluded from the poll at any given time.

(2) "*First Preference*" means the figure 1 set opposite the name of any candidate; "*Second Preference*" similarly means the figure 2, "*Third Preference*" the figure 3, and so on.

(3) "*Unexhausted Papers*" mean ballot papers on which a further preference is recorded for a continuing candidate.

(4) "*Exhausted Papers*" mean ballot papers on which no further preference is recorded for a continuing candidate, provided that a paper shall also become exhausted in any case in which

(a) the names of two or more candidates whether continuing or not are marked with the same figure and are next in order of preference, or

(b) the name of the candidate next in order of preference whether continuing or not is marked :—

(i) by a figure not following consecutively after some other figure on the ballot paper, or

(ii) by two or more figures.

(5) "*Original Votes*" in regard to any candidate mean the votes derived from ballot papers on which a first preference is recorded for such candidate.

(6) "*Transferred Votes*" in regard to any candidate mean votes the value or part of the value of which is credited to such candidate and which are derived from ballot papers on which a second or subsequent preference is recorded for such candidate.

(7) "*Surplus*" means the number by which the value of the votes of any candidate original and transferred exceeds the quota.

II. Each member of the Legislature present shall vote in person and no voting by proxy shall be permitted.

III. (1) The Clerk of the House of Assembly shall act as Returning Officer and shall, subject to these rules, do all things necessary for the conduct of the election,

1. PRIME MINISTER'S MINISTERIAL DIVISION.

(2) Two assessors, not being members of Parliament, shall be nominated, one by the President of the Legislative Council and one by the Speaker of the House of Assembly who shall assist and advise the Returning Officer in his duties both in respect of the receiving of nominations and the conduct of the election. If either of the Assessors is for any reason dissatisfied with the conduct of the election he shall report his opinion with the reasons therefor, in writing, to the President of the Legislative Council and the Speaker of the House of Assembly who after consultation may, if they consider it necessary order a recount to be made, and the Returning Officer shall act accordingly.

(3) Before entering on their duties the Returning Officer and the assessors shall be required to make oath or affirmation before the Speaker that they will faithfully and impartially discharge the duties of their offices according to the rules laid down herein or such other rules as may be lawfully made.

(4) The Returning Officer shall furnish the Governor-in-Council with the names of the persons elected and shall make to the President of the Legislative Council and the Speaker of the House of Assembly a complete return signed by himself showing the various steps of the election, the result of the election and the names of the persons elected. He shall also transmit to the Speaker of the House of Assembly a sealed packet containing the nominations, the actual ballot papers and the counterfoils, which shall be preserved for a period of at least twelve months. The Governor-in-Council shall notify by Proclamation the names of the persons duly elected.

IV. (1) The voting shall be by ballot. The Returning Officer shall ascertain that the person desiring to vote is entitled to vote and shall enter his name upon the counterfoil in a ballot paper book which shall be in the form set forth in the Annexure hereto and he shall then tear out the ballot paper corresponding to that counterfoil and having stamped the ballot paper with a perforating stamp provided for the purpose shall hand it to the member. Every ballot paper shall contain the names and addresses of all the candidates duly nominated for election printed in alphabetical order in the form prescribed in the annexure hereto.

(2) When the member has received a ballot paper he shall take the paper to his seat and shall there signify in manner provided by the next succeeding section for whom he desires to vote. The member shall then fold the ballot paper so that the perforated mark may be visible and having held up the ballot paper so that the Returning Officer can recognise the perforated mark shall drop the ballot paper in the ballot box placed in front of the Returning Officer.

(3) If a member inadvertently spoils a ballot paper he may return it to the Returning Officer, who shall, if satisfied of such inadvertence, give him another paper and retain the spoiled paper, and this spoiled paper shall be immediately cancelled and the fact of such cancellation shall be noted upon the counterfoil.

V. Every member shall have one vote only. A member in giving his vote

- (a) Must place on his ballot paper the figure 1 in the square opposite the name of the candidate for whom he votes ;
- (b) May in addition place on his ballot paper the figure 2, or the figures 2 and 3, or 2, 3, and 4, and so on, in the square opposite the names of other candidates in the order of his preference.

VI. A ballot paper shall be invalid

- (a) upon which a member signs his name or writes any word, or makes any mark by which it becomes recognisable ; or
- (b) which does not bear the perforated mark ; or
- (c) on which the figure 1 is not marked ; or
- (d) on which the figure 1 is set opposite the name of more than one candidate ; or
- (e) on which the figure 1 and some other figure is set opposite the name of the same candidate ; or
- (f) which is unmarked or void for uncertainty.

VII. In carrying out these Rules the Returning Officer shall

- (a) Disregard all fractions ;
- (b) Ignore all preferences recorded for candidates already elected or excluded from the poll.

VIII. The ballot papers shall be examined, and the Returning Officer after rejecting any invalid ballot papers, shall divide the remaining papers into parcels according to the first preferences recorded for each candidate. He shall then count the number of papers in each parcel.

IX. For the purpose of facilitating the processes prescribed by these regulations, each valid ballot paper shall be deemed to be of the value of one hundred,

1. PRIME MINISTER'S MINISTERIAL DIVISION.

X. The Returning Officer shall then add together the values of the papers in all the parcels and divide the total by a number exceeding by one the number of vacancies to be filled, and the result increased by one shall be the number sufficient to secure the return of a candidate, herein called the "quota."

XI. If at any time under these regulations a number of candidates equal to the number of persons to be elected has obtained the quota, such candidates shall be treated as elected and no further steps shall be taken.

XII. (1) Any candidate the value of whose parcel, on the first preferences being counted, is equal to or greater than the quota, shall be declared elected.

(2) If the value of the papers in any such parcel is equal to the quota, the papers shall be set aside as finally dealt with.

(3) If the value of the papers in any such parcel is greater than the quota, the surplus shall be transferred to the continuing candidates indicated on the ballot papers as next in the order of the voters' preference in the manner prescribed in the following regulation.

XIII. (1) If and whenever as the result of any operation prescribed by these regulations a candidate has a surplus, that surplus shall be transferred in accordance with the provisions of this regulation.

(2) If more than one candidate has a surplus, the largest surplus shall be dealt with first and the others in order of magnitude; provided that every surplus arising on the first count of votes shall be dealt with before those arising on the second count and so on.

(3) Where two or more surpluses are equal the Returning Officer shall decide according to the terms of regulation eighteen which shall first be dealt with.

(4) (a) If the surplus of any candidate to be transferred arises from original votes only, the Returning Officer shall examine all the papers in the parcel belonging to the candidate whose surplus is to be transferred and divide the unexhausted papers into sub-parcels according to the next preferences recorded thereon. He shall also make a separate sub-parcel of the exhausted papers.

(b) He shall ascertain the value of the papers in each sub-parcel and of all the unexhausted papers.

(c) If the value of the unexhausted papers is equal to or less than the surplus he shall transfer all the unexhausted papers at the value at which they were received by the candidate whose surplus is being transferred.

(d) If the value of the unexhausted papers is greater than the surplus he shall transfer the sub-parcels of unexhausted papers and the value at which each paper shall be transferred shall be ascertained by dividing the surplus by the total number of unexhausted papers.

(5) If the surplus of any candidate to be transferred arises from transferred as well as original votes, the Returning Officer shall re-examine all the papers in the sub-parcel last transferred to the candidate and divide the unexhausted papers into sub-parcels according to the next preferences recorded thereon. He shall thereupon deal with the sub-parcels in the same manner as is provided in the case of the sub-parcels referred to in the last preceding sub-section.

(6) The papers transferred to each candidate shall be added in the form of a sub-parcel to the papers already belonging to such candidate.

(7) All papers in the parcel or sub-parcels of an elected candidate not transferred under this regulation shall be set aside as finally dealt with.

XIV. (1) If after all surpluses have been transferred, as hereinbefore directed, less than the number of Senators required has been elected, the Returning Officer shall exclude from the poll the candidate lowest on the poll and shall distribute his unexhausted papers among the continuing candidates according to the next preferences recorded thereon. Any exhausted papers shall be set aside as finally dealt with.

(2) The papers containing original votes of an excluded candidate shall first be transferred, the transfer value of each paper being one hundred.

(3) The papers containing transferred votes of an excluded candidate shall then be transferred in the order of the transfers in which and at the value at which he obtained them.

(4) Each of such transfers shall be deemed to be a separate transfer.

(5) The process directed by this regulation shall be repeated on the successive exclusions one after another of the candidate lowest on the poll until the last vacancy is filled either by the election of a candidate with the quota or as hereinafter provided.

1. PRIME MINISTER'S MINISTERIAL DIVISION.

XV. If as the result of a transfer of papers under these regulations the value of the votes obtained by a candidate is equal to or greater than the quota, the transfer then proceeding shall be completed, but no further papers shall be transferred to him.

XVI. (1) If after the completion of any transfer under these regulations the value of the votes of any candidate shall be equal to or greater than the quota, he shall be declared elected.

(2) If the value of the votes of any such candidate shall be equal to the quota the whole of the papers on which such votes are recorded shall be set aside as finally dealt with.

(3) If the value of the votes of any such candidate shall be greater than the quota, his surplus shall thereupon be distributed in the manner hereinbefore provided before the exclusion of any other candidate.

XVII. (1) When the number of continuing candidates is reduced to the number of vacancies remaining unfilled the continuing candidates shall be declared elected.

(2) When only one vacancy remains unfilled and the value of the votes of some one continuing candidate exceeds the total value of all the votes of the other continuing candidates together with any surplus not transferred, that candidate shall be declared elected.

(3) When only one vacancy remains unfilled and there are only two continuing candidates and those two candidates have each the same value of votes and no surplus remains capable of transfer, one candidate shall be declared excluded under the next succeeding regulation, and the other declared elected.

XVIII. If when there is more than one surplus to distribute, two or more surpluses are equal, or if at any time it becomes necessary to exclude a candidate and two or more candidates have the same value of votes and are lowest on the poll, regard shall be had to the original votes of each candidate, and the candidate for whom fewest original votes are recorded shall have his surplus first distributed or shall be first excluded as the case may be. If the values of their original votes are equal the Returning Officer shall decide by lot which candidate shall have his surplus distributed or shall be excluded.

PUBLIC NOTICE TO MAKE RETURNS.

IN pursuance of "The Income Tax Act, 1909," which imposes an Income Tax upon incomes exceeding £50, arisen or accrued during the year ended 30th June, 1909, and in respect of the occupation of houses during the said year which together with land occupied therewith were of the value of £75, notice is hereby given that the following persons residing in the Division or District of Willowmore are required to furnish at this Office within thirty days of the date hereof, returns for the purpose of the assessment of Income Tax of incomes arisen or accrued to them either personally or in any representative capacity during the year ended 30th June, 1909:—

- (3) Every other person liable to tax who has not already been assessed for Income Tax in respect of income arisen or accrued or occupation during the said year.

No female whose income during the said year did not exceed £300 is liable to tax, but the income of a woman married with or without community of property, and living with, or not legally separated from her husband, is deemed to be income accrued to her husband, and such income must be included in his return.

Any person who may not receive a form applicable to his particular case may obtain such form on application to me.

No person is exempted from the penalties in the next succeeding Sections mentioned by reason merely of the fact that

- (1) Such person may prove not to be liable to taxation, or
- (2) That such person may not have been called upon individually to render a Return.

Any person or company making a false return is liable under the said Acts to a penalty of £100, and to be assessed double the amount of Tax to which he otherwise would be charged; and any person, whether liable or not to tax, failing to furnish the prescribed Return within the prescribed time, or to furnish any further or fuller Return required from him, is liable for each offence to a penalty of a fine not exceeding £10, or, in default of payment, three months imprisonment, with or without hard labour.

13. The Government reserves to itself the right to limit the number of persons who may reside on the land hereby leased during the subsistence of the lease, and, upon the recommendation of the Divisional Council, after due enquiry made with cognisance of the Lessee, either to remove such numbers of persons as it may consider excessive or to cancel the lease as may seem to it equitable under the circumstances.

De raming wordt door de Kontroleur en Auditeur-Generaal nagezien en bij goedkeuring door hem wordt het bedrag ervan jaarliks door het Gekonsolideerd Inkomstefonds aan het spoorweg- en havenfonds betaald. Wanneer echter in een jaar het werkelijk verlies volgens berekening van de Raad en certificaat van de Kontroleur en Auditeur-Generaal minder is dan de raming door de Raad gemaakt, wordt het voor dat jaar betaald bedrag verminderd zodat het werkelijk verlies niet overschreden wordt. 9. Geen land gehouden onder de provisies van deze Wet mag worden getransporteerd gedurende den loop van de licentie genoemd in de clausule vooraangaand.

LICENCE TO PROSPECT FOR WATER ON VACANT
SURVEYED CROWN LANDS: DIVISION OF HAY.

IN terms of Section 6 of Act 42 of 1908, it is hereby notified, for general information, that certain pieces of Crown Land, hereunder described, situate in the Division of Hay, will up to and including the twenty-sixth day of April, 1910, be available for water prospecting purposes in manner and on the terms provided in the said Act No. 42 of 1908, and hereunder set forth:—

1. Every application for a Licence to prospect for water on the land referred to shall be made, in writing, to the Civil Commissioner, Hay, at Griquatown.

2. All applications received on or before the 26th April, 1910, shall be submitted for the consideration and advice of a Land Board to be appointed by the Governor for that purpose; and the Surveyor-General, acting upon such advice, shall, subject to the approval of the Minister, grant licences in respect of such lands to suitable and desirable persons from among the applicants whose applications shall be so received, provided that in no case shall the Board be bound to select any person whom it may deem to be undesirable.

3. Every applicant for a licence under the provisions of this Act shall make and append to his application a declaration to the following effect:

I [A.B.] (insert occupation), residing at..... in the District of....., do solemnly and sincerely declare that I am of the age of twenty-one years and upwards, that I make this present application for my own exclusive use and benefit, and not directly or indirectly for "the use or benefit of any other person whomsoever, that I am not the owner of any landed property (other than urban property) of the value of more than £100, that I have not made any arrangement or agreement to enable or permit any other person to acquire by purchase or otherwise, the land in respect of which this my application is made."

Signature of Applicant,
[A.B.]

Dated before me at.....this.....day of
.....19.....

[C.D.]
Justice of the Peace.

4. The prospecting licence shall be issued free of charge, and shall hold good for a period of one year, and the prospector shall be bound to commence operations within six months of the issue of the licence, and to carry on the same with all reasonable diligence, failing which such licence shall be forfeited, unless it shall be proved to the satisfaction of the Minister that *bona fide* efforts have been made, and that the failure in finding water has not been due to any fault of the licensee; in which event the prospecting licence may, upon application of the licensee, be renewed for a period not exceeding one year at the discretion of the Minister, provided, however, that the licence may be terminated by the prospector at any time upon giving written notice to the Resident Magistrate of the District of his intention to do so.

5. All licences issued for prospecting for water upon surveyed Crown Lands shall be deemed to extend to the area defined by the beacons of such Crown Land, but no licence shall confer upon any prospector the right to prospect for water upon any surveyed Crown Lands upon which any well, fountain, or natural oozing already exists, or within three miles of any well, fountain or natural oozing, situated upon any unsurveyed Crown Lands except upon special sanction of the Minister after sufficient proof having been given him that the water of such existing well, fountain or natural oozing is insufficient or unfit for use.

6. The holder of a prospecting licence shall be bound to report the discovery of water by him to the Resident Magistrate of the Division, within three months of the date of such discovery, failing which the licence shall be subject to forfeiture, and he shall lose all claim in respect of the water found by him; unless it shall be proved to the satisfaction of the Minister that the omission or delay in reporting such discovery was caused by

circumstances beyond his control; or that the water discovered by him is insufficient or unfit for ordinary use.

7. Prior to any licence being granted to any applicant to prospect for water, he shall be informed of the terms and conditions upon which the land will be allotted to him under the provisions of Act No. 40 of 1895.

8. So soon as any prospector shall have reported the discovery of water in sufficient quantity and fit for use, he shall forthwith elect whether he will accept allotment of the area upon which he has found water, and in the event of his accepting such allotment the provisions of Act No. 40 of 1895 shall apply, and if he do not accept such allotment, he shall either surrender all claim to the land, or the Minister may, upon sufficient cause shown, extend his licence for any period not exceeding the full two years hereinbefore provided, or a period of six months from the date of making such report.

10. No person who shall prospect for and discover water on Crown Land without having previously obtained a licence shall be entitled to any claim under this Act and no holder of a licence for prospecting for water under this Act, shall have any claim on the Government for any expenditure incurred, in the event of his not having been successful in his search for water, or surrendering his claim to the land to which his licence refers.

11. It shall be lawful for the Governor from time to time to issue regulations in the *Gazette* to give effect to the provisions contained in Sections 6 to 14 of this Act.

All inquiries should be addressed to the Civil Commissioner, Hay, or to the Surveyor-General, Cape Town.

VERKIEZING VOOR SENATOREN, 1910.

[REGULATIES VOOR DE VERKIEZING VAN SENATOREN AFGEKONDIGD DOOR DEN
GOUVERNEUR-IN-RADE ONDER SECTIE 134 VAN DE ZUID AFRIKA WET].

I. In deze Regulaties :—

(1) "*Voortdurende Kandidaten*" beteekenen kandidaten niet gekozen noch uitgesloten van de stemming op eenig gegeven tijd.

(2) "*Eerste Voorkeur*" beteekent het cijfer 1 tegenover de naam van een kandidaat geplaatst; "*Tweede Voorkeur*" beteekent op dergelijke wijze het cijfer 2; "*Derde Voorkeur*" het cijfer 3 en zoo voorts.

(3) "*Onuitgeputte Papieren*" beteekenen stem-briefjes waarop een verder voorkeur aangeteekend staat voor een voortdurende kandidaat.

(4) "*Uitgeputte Papieren*" beteekenen stem-briefjes waarop geen verdere voorkeur aangeteekend staat voor een voortdurende kandidaat, mits dat een papier ook uitgeput wordt in eenig geval waar

(a) de namen van twee of meer kandidaten, hetzij voortdurend of niet, gemerkt zijn met hetzelfde cijfer en op elkander volgen in orde van voorkeur, of

(b) de naam van de kandidaat eerstvolgende in orde van voorkeur, hetzij voortdurend of niet, gemerkt is

(i) door een cijfer niet volgende op een of ander cijfer op het stembriefje, of

(ii) door twee of meer cijfers.

(6) "*Overgedragen Stemmen*" ten opzichte van een kandidaat beteekenen stemmen met de waarde of deel van de waarde waarvan zoodanige kandidaat gecrediteerd wordt en die verkregen worden van stem-briefjes waarop een tweede of volgende voorkeur voor zoodanige kandidaat aangeteekend staat.

(7) "*Surplus*" beteekent het getal door hetwelk de waarde van de stemmen van een kandidaat oorspronkelijk en overgedragen de quota overschrijdt.

II: Elk lid van de Wetgeving aanwezig stemt in eigen persoon, en geen stemmen door volmacht wordt toegelaten.

1. MINISTERIEELE AFDEELING VAN EERSTEN MINISTER.

III. (1) De Klerk van de Wetgevende Vergadering treedt op als Verslaggevende Beambte en doet, met inachtneming van deze regels, alle dingen die noodig zijn voor de leiding van de verkiezing.

(2) Twee assessoren, niet zijnde leden van het Parlement, worden benoemd een door de President van de Wetgevende Raad en een door de Speaker van de Wetgevende Vergadering, die de Verslaggevende Beambte in het verrichten van zijne plichten met raad dienen en helpen zoowel ten opzichte van het ontvangen van benoemingen als de leiding van de verkiezing. Indien een of ander van de assessoren om een of ander reden ontevreden is met de leiding van de verkiezing rapporteert hij zijne opinie met zijne redenen in geschrifte aan de President van de Wetgevende Raad en de Speaker van de Wetgevende Vergadering die na beraadslaging gelasten mogen indien zij het noodig achten, dat een hertelling geschiede, en de Verslaggevende Beambte handelt dienovereenkomstig.

(3) Vóór hunne plichten te aanvaarden leggen de Verslaggevende Beambte en de assessoren een eed of verklaring voor de Speaker af dat zij getrouw en onpartijdig hunne ambts-plichten zullen verrichten overeenkomstig de hierin vastgestelde regels of zoodanige andere regels als wettiglijk vastgesteld mogen worden.

- (4) De Verslaggevende Beambte legt voor de President van de Wetgevende Raad en de Speaker van de Wetgevende Vergadering een volledige opgave door zichzelve onderteeekend aantoonende de verschillende stappen van de verkiezing, de uitslag van de verkiezing, en de namen van de personen verkozen. Hij zendt ook aan de Speaker van de Wetgevende Vergadering een verzegeld pakket, bevattende de benoemingen, de werkelijke stem-briefjes en de tegenbladen die voor minstens twaalf maanden gehouden zullen worden. De Gouverneur-in-Rade maakt bij Proklamatie de namen bekend van de personen wettelijk verkozen.

IV. (1) De stemming geschiedt door gesloten briefjes. De Verslaggevende Beambte vergewist zich dat de persoon die wenscht te stemmen gerechtigd is te stemmen en plaatst zijn naam op het tegenblad in het stem-briefje boek, en scheurt dan het stembriefje dat overeen slaat met het tegenblad uit en, na het stem-briefje met een doorborend zegel voor dat doel verschaft gestempeld te hebben overhandigt het aan het lid. Elk stem-briefje bevat de namen en adressen van al de kandidaten behoorlijk voor verkiezing benoemd in alphabetische orde gedrukt volgens de vorm voorgeschreven in nevensgaande aanhangsel.

(2) Wanneer het lid een stembriefje ontvangen heeft neemt hij het papier naar zijn zitplaats en geeft daar te kennen op de wijze door de eerst-volgende sectie voorgeschreven voor wie hij wenscht te stemmen. Het lid zal dan het stembriefje opvouwen zoo dat het doorstempelde merk zichtbaar is en na het stem-briefje te hebben gehouden zoo dat de Verslaggevende Beambte herkennen kan het doorstempelde merk, moet hij het stembriefje in de stembus plaatsen welke vóór den Verslaggevende Beambte staat.

(3) Indien een lid per abuis een stembriefje bederft kan hij het aan de Verslaggevende Beambte teruggeven, die indien overtuigd dat het per abuis was, hem een ander papier geeft en het bedorven papier houdt, en dit bedorven papier wordt onmiddellijk gecancelleerd en het feit van zoodanige cancellatie wordt op het tegenblad aangeteekend.

V. Elk lid heeft slechts een stem. Een lid wanneer hij zijn stem uitbrengt

- (a) Moet op het stem-briefje het cijfer 1 in 't vierkant tegenover de naam van de kandidaat voor wien hij stemt plaatsen;
- (b) Mag behalve dit op het stem-briefje het cijfer 2, of de cijfers 2 en 3, of 2, 3 en 4, en zoo voorts, in het vierkant tegenover de namen van de andere kandidaten in orde van zijn voorkeur plaatsen.

VI. Een stem-briefje is van nul en geene waarde

- (a) waarop een lid zijn naam teekent of eenig woord schrijft of eenig merk maakt waardoor het herkenbaar wordt; of
- (b) dat niet het doorborend merk draagt; of
- (c) waarop het cijfer 1 niet gemerkt staat; of
- (d) waarop het cijfer 1 tegenover de naam van meer dan een kandidaat geplaatst is; of
- (e) waarop het cijfer 1 en een of ander cijfer tegenover de naam van dezelfde kandidaat geplaatst zijn; of
- (f) dat ongemerkt is of ongeldig is wegens onduidelijkheid.

VII. Bij het nakomen van deze Regels zal de Verslaggevende Beambte

- (a) breuken niet in aanmerking nemen.
- (b) geen acht slaan op voorkeuren aangeteekend voor kandidaten die reeds verkozen zijn of die van de stemming uitgesloten zijn.

VIII. De stem-briefjes worden doorengemengd en de Verslaggevende Beambte na onwettige stem-briefjes verworpen te hebben verdeelt de overige papieren volgens de eerste voorkeuren voor elk kandidaat. Daarna telt hij het aantal papieren in elk pakket.

1. MINISTERIEELE AFDEELING VAN EERSTEN MINISTER.

IX. Ten einde de verschillende stappen door deze regulaties voorgeschreven te vergemakkelijken wordt elk geldig stem-briefje van de waarde van een honderd beschouwd.

X. De Verslaggevende Beambte telt dan de waarde van de papieren in al de pakketten bij elkaar en deelt het totaal door een getal dat bij één meer is dan het aantal vacaturen te worden gevuld en het resultaat vermeerderd door één is het getal dat voldoende is om de verkiezing van een kandidaat te verzekeren, hierna de "quota" genoemd.

XI. Indien te eenige tijd onder deze regulaties een aantal kandidaten gelijk aan het aantal personen te worden verkozen de quota verkregen heeft worden zoodanige kandidaten verkozen beschouwd en geen verdere stappen worden genomen.

XII. (1) Een kandidaat de waarde van wiens pakket, wanneer de eerste voorkeuren geteld zijn, gelijk is aan of meer is dan de quota wordt verkozen verklaard.

(2) Indien de waarde van de papieren in eenig zoodanig pakket gelijk is aan de quota, worden de papieren opzijgezet als finaal afgehandeld.

(3) Indien de waarde van de papieren in eenig zoodanig pakket grooter is dan de quota wordt het surplus overgedragen naar de voortdurende kandidaten aangetoond op de stem-brieven als de volgende in orde van de kiezers' voorkeur op de wijze door de volgende regulatie voorgeschreven.

XIII. (1) Indien en wanneer een kandidaat een surplus heeft als het resultaat van eenige stap door deze regulaties voorgeschreven wordt dat surplus overgedragen overeenkomstig de bepalingen van deze regulatie

(2) Indien meer dan een kandidaat een surplus heeft wordt het grootste surplus 't eerst mee gehandeld en de andere een na een volgens grootte, mits dat met elk surplus ontstaande bij de eerste telling van stemmen gehandeld wordt vóór met dat ontstaande bij een tweede telling en zoo voort.

(3) Waar twee of meer surplussen gelijk zijn beslist de Verslaggevende Beambte overeenkomstig regulatie achtien welk daarvan het eerst in behandeling genomen wordt.

(4) (a) Indien het surplus van een kandidaat dat overgedragen moet worden ontstaat slechts uit oorspronkelijke stemmen, onderzoekt de Verslaggevende Beambte al de papieren in het pakket behorende aan de kandidaat wiens surplus overgedragen moet worden en hij verdeelt de onuitgeputte papieren in sub-pakketten volgens de volgende voorkeuren daarop aangeteekend. Hij maakt ook een aparte sub-pakket van de uitgeputte papieren.

(b) Hij vindt uit wat de waarde is van de papieren in elk sub-pakket en van al de onuitgeputte papieren.

(c) Indien de waarde van de onuitgeputte papieren gelijk is aan of minder is dan het surplus draagt hij al de onuitgeputte papieren over tegen de waarde waartegen zij ontvangen werden door de kandidaat wiens surplus overgedragen wordt.

(d) Indien de waarde van de onuitgeputte papieren grooter is dan het surplus draagt hij de sub-pakketten van onuitgeputte papieren over en de waarde waartegen elk papier overgedragen wordt wordt uitgevonden door het surplus te deelen door het totale getal van de onuitgeputte papieren.

(5) Indien het surplus van eenig kandidaat dat overgedragen moet worden ontstaat uit overgedragen zoowel als uit oorspronkelijke stemmen onderzoekt de Verslaggevende Beambte nogmaals al de papieren in het sub-pakket laatst op de kandidaat overgedragen en verdeelt de onuitgeputte papieren in sub-pakketten volgens de volgende voorkeuren daarop aangeteekend. Daarop handelt hij met de sub-pakketten op dezelfde wijze als voorgeschreven wordt in het geval van de sub-pakketten in de laatst voorafgaande sub-sectie op gewezen.

(6) De papieren op elk kandidaat overgedragen worden in de vorm van een sub-pakket bij de papieren reeds aan zoodanige kandidaat behorende gevoegd.

(7) Alle papieren in het pakket of sub-pakketten van een verkozen kandidaat niet overgedragen onder deze regulatie worden opzijgezet als finaal afgehandeld.

XIV. (1) Indien na al de surplussen overgedragen zijn, zooals hierboven gelast, minder dan het benodigde aantal Senatoren verkozen zijn, sluit de Verslaggevende Beambte van de stemming uit de kandidaat die het laagst op de stemming is en verdeelt zijn onuitgeputte papieren onder de voortdurende kandidaten volgens de volgende voorkeuren daarop aangeteekend. Alle uitgeputte papieren worden opzijgezet als finaal afgehandeld.

(2) De papieren bevattende de oorspronkelijke stemmen van een nitgesloten kandidaat worden eerst overgedragen, de overdracht waarde van elk papier zijnde een honderd.

1. MINISTERIEELE AFDEELING VAN EERSTEN MINISTER.

(3) De papieren bevattende de overgedragen stemmen van een uitgesloten kandidaat worden dan overgedragen in de orde van de overdrachten waardoor en tegen de waarde waartegen hij ze verkreeg.

(4) Elk van zoodanige overdrachten wordt beschouwd een aparte overdracht te zijn.

(5) De handelwijze voorgeschreven door deze regulatie wordt herhaald ten opzichte aan de achtereenvolgende uitsluitingen de een na de ander van de kandidaat 't laagst op de stemming tot de laatste vacature gevuld is hetzij door de verkiezing van een kandidaat met de quota of zooals hierna bepaald.

XV. Indien tengevolge van een overdracht van papieren onder deze regulaties de waarde van de stemmen door een kandidaat verkregen gelijk is aan of grooter dan de quota wordt de overdracht alsdan aan de gang voltooid, maar geen verder papieren worden aan hem overgedragen.

XVI. (1) Indien na de voltooiing van eenige overdracht onder deze regulaties de waarde van de stemmen van een kandidaat gelijk is aan of grooter is dan de quota, wordt hij verkozen verklaard.

(2) Indien de waarde van de stemmen van eenig zoodanig kandidaat gelijk is aan de quota, worden al de papieren waarop zoodanige stemmen aangeteekend zijn opzijgezet als finaal afgehandeld.

(3) Indien de waarde van de stemmen van eenig zoodanig kandidaat grooter is dan de quota, wordt zijn surplus daarop verdeeld op de wijze hierboven voorgeschreven voor de uitsluiting van eenig ander kandidaat.

XVII. (1) Wanneer het aantal voortdurende kandidaten verminderd is tot het aantal vacaturen die nog open zijn worden de voortdurende kandidaten verkozen verklaard.

(2) Wanneer slechts een vacature open blijft en de waarde van de stemmen van een of ander voortdurende kandidaat meer is dan de totale waarde van al de stemmen van de ander. voortdurende kandidaat tezamen met eenig surplus nog niet overgedragen, wordt die kandidaten verkozen verklaard.

(3) Wanneer slechts een vacature open blijft en er slechts twee voortdurende kandidaten zijn en die twee kandidaten elk dezelfde waarde van stemmen hebben en geen surplus over blijft dat overgedragen kan worden, wordt één kandidaat uitgesloten verklaard en de andere verkozen onder de volgende regulatie.

XVIII. Indien wanneer er meer dan een surplus is om uit te delen, twee of meer surplusen gelijk zijn, of indien ten eenige tijd het noodig wordt een kandidaat uit te sluiten en twee of meer kandidaten dezelfde waarde van stemmen hebben en de laagste op de stemming zijn worden de oorspronkelijke stemmen van elk kandidaat in acht genomen en de kandidaat voor wien de minste oorspronkelijke stemmen aangeteekend werden zal het eerst zijn surplus zien uitgedeeld of zal het eerst uitgesloten worden naardat het geval is. Indien de waarden van hunne oorspronkelijke stemmen gelijk zijn beslist de Verslaggevende Beambte door loten van welke kandidaat het surplus zal verdeeld worden of wie uitgesloten zal worden.
